

Hi My Name is Kennisha Benton. I am William's Baby sister. And I am writing you this letter to let you know how great of a man my brother is and was. Let me start out by saying growing up it was 4 of us, 3 boys and 1 girl William being the oldest. He was the man of the house he always made sure we had what we needed and sometimes wanted. He was a father figure to me. If my hair needed doing he did it. My clothes needed washing he washed them. We were hungry William made sure we ate. Not saying that my mom was bad she was a good mom but when she couldn't do he was right there to pick up. I commend my brother because even though he didn't have a father he still grew up to be a strong man. I don't believe that my brother would hurt anyone I need my brother

home ever since he's been
gone these 11 going on twelve
years life hasn't been the same
I have 2 children that want
to meet their uncle. I believe
he would be a great uncle to
my children. My brother has
sat and learned his lesson even
if it wasn't a crime he didn't
commit. So I say again please
free my brother I need him
to come home and make me
some nieces and nephews. It's
about that time. If your
reading this in front of him tell
him I love him and miss him
dearly.

Sincerely
Kenneth
