To whom it may concern,

I am writing on behalf of my brother, who has been in jail as long as I have served in the U.S. Navy. I am not asking for any favors in regards to my brother's sentence due to my service to this country, but I do ask for your consideration on the reduction of his sentence. My brother has been sentenced to 47 years in prison for a crime that police had no evidence that he had committed and when they went to arrest him in plain clothes my brother only acted in fear for his life. Although I do not agree with his action's on the day of his arrest, I do not believe that the sentence passed upon him as a teenager at that time was justified for a crime he wasn't involved in. He has done more than the time in prison for the crime then he should have been sentence for, which was for the shooting of the two police officer. Again, I ask you to consider my brother Akov Ortiz sentence reduction.

Very respectfully,

Jennifer Daniels
